We are here to help!
ES@gamutsvs.com
P: 626-716-4436 F: 310-693-9837

To assist you in planning your participation in the show, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following.

SIGN, DISPLAY AND ALLIED CRAFT UNION

Members of this union claim jurisdiction over all installation and dismantle of exhibits, including signs and carpet installation. The exhibitor may set up or dismantle their own display with one (1) full-time employee of the exhibiting company, as long as the work can be completed in one hour without the use of tools. If your exhibit display requires more set up time or tools, union labor is required and will be furnished on a one to one basis with the full-time employees of the exhibiting company. The exhibitor may unpack and set up their own product. This exemption does not apply if the exhibitor's product is part of the exhibit or is used in the construction of the exhibit.

TEAMSTER UNION

This local union claims jurisdiction over the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may only move material that is hand-carryable by one person in one trip. No one, other than the official contractor's employees, is allowed to use dollies, hand trucks or other mechanical equipment. This includes, but is not limited to, I&D employees, hotel employees and facility employees.

TIPPING

Gamut Event Services requests that exhibitors do not tip our employees. They are paid an excellent wage, denoting a professional status, and we feel that tipping is not necessary. This applies to all Gamut Event Services employees.

SAFETY

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support standing weight. Gamut Event Services cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor and the necessary ladders and tools will be provided.

You will be given a numbered placard; this placard must be placed on your dashboard and allow your vehicle to begin lining up Convention Center Dr. Your Material handling form will be given to the freight loading supervisor who will allow your vehicle up when dock space is available. Move-out will be peak between 4:00 p.m. – 7:00 p.m. and wait times can be up to 1-2 hours.

Gamut Event Services accepts no responsibility for misdirected shipments as a result of old shipping labels which remain on containers. GAMUT EVENT SERVICES WILL ROUTE ALL SHIPMENTS WITH THE SHOW CARRIER UNLESS ADVANCE ARRANGEMENTS WITH ANOTHER CARRIER ARE MADE.

Exhibits and materials for which arrangements have not been made with Gamut Event Services, or which have not been removed from the exhibit area on removal day, will be re-consigned onto the show carrier by Gamut Event Services.

A Material Handling Agreement (MHA) must be completed for each outbound shipment. The MHA is not a bill of lading although it serves a similar function. It is your instruction to Gamut to give the materials in your booth to a specific trucking company that you have instructed to be there. If you are shipping to two (2) different locations, Gamut must have an MHA for each location. If freight is found on the show floor and Gamut does not have a completed Material Handling Agreement, Gamut will consider it abandoned and it will be returned C.O.D. to the address present on the outside of the packages. Gamut assumes no responsibility for misdirected shipments or liability for such handling.

Additional charges will be assessed for shipments returning to our warehouse at \$45.00 per 100 pounds/ CWT at a 500 lb minimum charge.

OUTBOUND SHIPMENT DRIVER INSTRUCTIONS

Please schedule your driver to check in with us before 6:00PM on Sunday, April 10, 2022. Gamut will have a representative at the loading dock taking driver's information when the driver arrives at the property.

Your driver must know your booth number and shipment destination to collect your shipment.

All drivers need to be checked in by 6:00PM as we must clear the exhibit hall that evening. Any shipments remaining at that time will incur additional charges for being rerouted to the event carrier in order to clear the exhibit hall in the limited time allowed.

YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE.

The terms and conditions set forth below become a part of the Contract between Gamut Event Services and you, the Exhibitor. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

- The Material Handling Agreement is signed; or
- Exhibitor's materials are delivered to Gamut's warehouse or to a show or exposition site for which Gamut Event Services is the Official Show Contractor; or
- An order for labor and/or rental equipment is placed by exhibitor with Gamut Event Services.

1. DEFINITIONS - For purposes of the contract, "Gamut Event Services," ("Gamut") means its employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited, to any subcontractors Gamut Event Services may appoint. The term "Exhibitor" means the exhibitor, its employees, agents, representatives, and any Exhibitor Appointed Contractors ("EAC"). Further, Exhibitor is in fact the "Shipper" for all purposes and circumstances notwithstanding anything contained herein to the contrary.

2. PACKAGING & CRATES - Gamut shall not be responsible for damage to loose or uncrated materials, pad-wrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed materials. In addition, Gamut shall not be responsible for crates and packaging which are unsuitable for handling, in poor condition, or have prior damage, crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means.

3. EMPTY CONTAINERS - Empty container labels will be available at the show site service desk. Affixing labels to the containers is the sole responsibility of the exhibitor or its representative. All previous labels must be removed or obliterated. Gamut assumes no responsibility for: error in the above procedures; removal of containers with old empty labels and without Gamut labels; improper information on the empty labels. Gamut will not be liable for loss or damage to crates and containers or their contents while same are in empty container storage.

4. INBOUND SHIPMENT(S) - Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of Exhibitor or its representative, and during such time the materials will be left unattended. Gamut will not be responsible for any loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to Exhibitor's booth at show site. Gamut highly recommends the securing of security services from facility or show management.

5. OUTBOUND SHIPMENT(S) - Consistent with trade show industry practices, there may be a lapse of time between the completion of packing and the actual pickup of materials from the booths for loading onto a carrier and during such time the materials will be left unattended. Gamut will not be responsible for any loss, damage, theft, or disappearance of exhibitor's materials before same have been picked up for reloading at the conclusion of the event. Gamut highly recommends the securing of security services from facility or show management. All Material Handling Agreements submitted to Gamut by exhibitor will be checked at the time of pickup from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to Gamut and the actual count of such items in the booth at the time of pickup.

6. DELIVERY TO THE CARRIER FOR RELOADING - Gamut assumes no responsibility for loss, damages, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's appointed contractor, shipper, or agent for transportation after the conclusion of the show. Gamut loads the materials onto the carrier under directions from the carrier or driver of that carrier. Any loading onto the carrier will be understood to be under the exclusive supervision and control of the carrier or driver of that carrier. Gamut assumes no responsibility for loss, damage, theft or disappearance of exhibitor's materials that arises out of improperly loaded materials.

7. DESIGNATED CARRIERS - In order to expedite removal of materials from show site as required by show management and/or the facility, Gamut shall have the authority to change the exhibitor designated carrier if that carrier does not pick up the shipment(s) at the appointed time. Where no disposition is made by exhibitor, materials may be taken to a warehouse to await exhibitors shipping instructions and exhibitor agrees to be responsible for charges relating to such rerouting and handling. In no event shall Gamut be responsible for any loss resulting from such rerouting designation.

8. GAMUT'S RESPONSIBILITIES - Gamut shall be responsible only for those services which it directly provides. Gamut assumes no responsibility for any persons, parties, or other contracting firms not under Gamut's direct supervision and control. Gamut's performance hereunder is subject to, and Gamut shall not be responsible for loss, delay, or damages due to strike, lockouts, work stoppages, natural elements, vandalism, Act of God, civil disturbances, power failures, explosions, acts of terrorism or war, or for any other cause beyond Gamut's reasonable control, nor for ordinary wear and tear in the handling of materials.

9. INSURANCE - It is understood that Gamut is not an insurer. Insurance on exhibit materials, if any, shall be obtained by exhibitor in amounts and for perils determined by exhibitor. Exhibitor agrees to provide Gamut with a release of subrogation to the extent of any insurance settlement received.

10. CLAIM(S) FOR LOSS - Exhibitor agrees that any and all claims for loss or damage must be submitted to Gamut immediately at the show site, and in any case not later than thirty (30) business days after the conclusion of the show or exposition. (For purposes of claim reporting, the "conclusion" of the show shall be construed as the time when exhibitor's materials are delivered to the carrier for transportation from the show site or from Gamut's warehouse). All claims reported after thirty (30) business days will be rejected. In no event shall a suit or action be brought against Gamut more than one (1) year after the date of loss or damage occurred.

a) Payment for services may not be withheld. In the event of any dispute between the exhibitor and Gamut relative to any loss, damage, or claim, exhibitor shall not be entitled to and shall not withhold payment or any partial payment, due Gamut for its services as an offset against the amount of any alleged loss or damages. Any claims against Gamut shall be considered a separate transaction and shall be resolved on their own merits.

b) Maximum recovery. If found liable for any loss, Gamut's sole and exclusive maximum liability for loss or damage to exhibitor's materials and exhibitor's sole and exclusive remedy is limited to \$.50 (USD) per pound per article with a maximum liability of \$100.00 (USD) per item, or \$1,500.00 (USD) per shipment whichever is less.

c) Breach of Contract and/or negligence only. Gamut's liability shall be limited to any loss or damage which results solely from Gamut's negligence in the actual physical handling of the items comprising exhibitor's shipment(s) OR which results from breach of this contract and not for any other type of loss or damage. In no event shall Gamut be liable to the exhibitor or to any other party for special, collateral, exemplary, indirect, incidental, or consequential damages, whether such damages occur either prior or subsequent to, or are alleged as a result of, tortious conduct, failure of the equipment or services of Gamut or breach of any of the provisions of this Contract, regardless of the form of action, whether in contract or in tort, including strict liability and negligence, even if Gamut has been advised or had notice of the possibility of such damages, or for any damages caused by exhibitor's failure to perform exhibitor's responsibilities. Such excluded damages include but are not limited to loss of profits, loss of use, interruption of business or other consequential or indirect economic losses.

11. DECLARED VALUE - Declarations of Declared Value are between the exhibitor and the selected carrier ONLY, and are in no way an extension of Gamut's maximum liability stated herein. Gamut will use commercially reasonable efforts to transmit the Declared Value instructions to the selected carrier; however, Gamut will be not be liable for any claim arising from the transmittal of, or failure to transmit, declared value instructions to the carrier nor for failure of the carrier to uphold the declared value or any other term of carriage.

12. JURISDICTION / ARBITRATION - This contract shall be construed under the laws of the State of California without giving effect to its conflict of laws rules. Exclusive venue for all disputes arising out of or relating to this contract shall reside in a court of competent jurisdiction in Los Angeles County, California. Notwithstanding anything herein to the contrary, any controversy or claim arising out of or relating to this Contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and judgment on the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof.

13. INDEMNIFICATION - Exhibitor agrees to indemnify and forever hold harmless Gamut and its employees, directors, officers, and agents from and against any and all demands, claims, causes of action, fines, penalties, damages (including consequential), liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) on account of personal injury, death, or

damage to or loss of property or profits arising out of or contributed to by any of the following:

- Exhibitor's negligence, willful misconduct, or deliberate act, or the negligence, willful misconduct, or deliberate act of exhibitor's employees, agents, representatives, customers, invitees and/or any exhibitor appointed contractors (EAC) at the show or exposition to which this Contract related, including but not limited to the misuse, improper use, unauthorized alteration, or negligent handling of Gamut's equipment.
- Exhibitor's violation of Federal, State, County or Local ordinances:
- Exhibitor's violation of show regulations and/or rules as published and set forth by facility and/or show management.

14. WAIVER & RELEASE - Exhibitor as a materials part of the consideration to Gamut for material handling services, waives and releases all claims against Gamut with respect to all matters for which Gamut has disclaimed liability pursuant to the provisions of this Contract.

15. SEVERABILITY - If any provision of this Contract proves to be illegal, invalid, or unenforceable, the remainder of this Contract will not be affected by such finding, and in lieu of each provision of this Contract that is proven to be illegal, invalid, or unenforceable, a provision will be added as part of this Contract as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid and enforceable.
